INFORMATION DISCLOSURE STATEMENT

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 C.F.R. § 1.56, submitted herewith is a copy of an Official Communication issued in a corresponding European patent application citing seven (7) references and a copy of one (1) of the references cited therein. For the Examiner's convenience, we have enclosed a completed Form PTO-1449 listing all five (5) of the seven (7) references cited in the Official Communication.

Although the Official Communication cites two (2) additional references, (U.S. 5,694,095 and EP 0 913 935), Applicants do not submit a copy of these references herewith because they were previously cited in an Information Disclosure Statement filed on August 13, 2004.

Applicants do not submit herewith a copy of the U.S. references because it is no longer a U.S. Patent Office requirement.

The statement is not a representation that all of the information cited is necessarily effective as prior art against the application.

I hereby state that each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than 3 months prior to the filing of this statement, and that this is the first citation of these prior art references by a foreign patent office in a counterpart foreign patent application.

Accordingly, no fee is necessary for the filing of this statement. Should the Commissioner determine otherwise, the Commissioner is authorized to charge Deposit Account No. 50-1353 for any fee shortages, including the petition fee under 37 C.F.R. § 1.17(p).

Applicants respectfully request that the disclosed examination report and the cited references be made of record in the subject application.

Respectfully submitted,

Attorneys for Applicants
